

| SCORESHEET FOR SEA SCOUT ADVANCEMENT RANK OF ABLE |       |       |       |       |       | 6/15/2010 |
|---|-------|-------|-------|-------|-------|-----------|
| <b>NAMES</b>                                      |       |       |       |       |       |           |
| <b>1. Ideals</b>                                  | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX     |
| 1a1. Org/conduct 2 opening ceremonies.            |       |       |       |       |       |           |
| 1a2. Org/conduct 2 closing ceremonies.            |       |       |       |       |       |           |
| 1b. 500/1000 essay on sea history.                |       |       |       |       |       |           |
| <b>2. Active Membership</b>                       | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX     |
| 2a. 75% attendance for twelve months.             |       |       |       |       |       |           |
| 2b. 15 minute program on Sea Scouting.            |       |       |       |       |       |           |
| <b>3. Leadership</b>                              | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX     |
| 3. Serve as petty officer or activity chair.      |       |       |       |       |       |           |
| <b>4. Swimming:</b> Lifesaving merit badge        |       |       |       |       |       |           |
| <b>5. Safety:</b>                                 | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX     |
| 5a. Know and use equipment checklist.             |       |       |       |       |       |           |
| 5b. Know rules of fire prevention.                |       |       |       |       |       |           |
| 5c. Know/use types of fire extinguishers.         |       |       |       |       |       |           |
| 5d. Use fire extinguisher                         |       |       |       |       |       |           |
| 5e. Conduct fire safety inspection.               |       |       |       |       |       |           |
| 5f. First Aid merit badge or Red Cross.           |       |       |       |       |       |           |
| 5g. Obtain CPR certification.                     |       |       |       |       |       |           |
| 5h. Demonstrate Heimlich maneuver.                |       |       |       |       |       |           |
| <b>6. Marlinspike Seamanship:</b>                 | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX     |
| 6a. Tie required splices/whipping.                |       |       |       |       |       |           |
| 6b. Seams and how they are used.                  |       |       |       |       |       |           |
| 6c. Demo/name parts of block and tackle.          |       |       |       |       |       |           |
| <b>7. Boat Handling</b>                           | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX     |
| 7a. Demo operate boat with motor.                 |       |       |       |       |       |           |
| 7b1. Names and functions of lines.                |       |       |       |       |       |           |
| 7b2. Know docking commands using lines.           |       |       |       |       |       |           |
| <b>8. Anchoring:</b>                              | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX     |
| 8a. Describe anchor rode/advantages/dis           |       |       |       |       |       |           |
| 8b. Identify cable from anchor to vessel          |       |       |       |       |       |           |
| 8c. Chain marking                                 |       |       |       |       |       |           |
| 8d. Anchor watch schedule/ stand one              |       |       |       |       |       |           |
| 8e. Identify capstan/windlass and use             |       |       |       |       |       |           |
| <b>9. Navigation Rules:</b>                       | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX     |
| 9a. Demonstration working knowledge               |       |       |       |       |       |           |
| 9b. Explain vessel lights.                        |       |       |       |       |       |           |
| 9c. Describe special lights & day shapes          |       |       |       |       |       |           |
| 9d. Understand local aids to navigation.          |       |       |       |       |       |           |
| 9e. Read NOS chart;                               |       |       |       |       |       |           |
| 9f. Explain tide/current table, light lists etc   |       |       |       |       |       |           |
| <b>10. Piloting and Navigation:</b>               | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX     |
| 10a. Describe and keep 3 deck logs.               |       |       |       |       |       |           |
| 10b. Lay 3-leg course, execute using DR           |       |       |       |       |       |           |
| 10c. Fix position by indicated methods            |       |       |       |       |       |           |
| 10d. Establish distance using methods.            |       |       |       |       |       |           |
| 10e. Discuss GPS, way points, set & drift.        |       |       |       |       |       |           |
| 10f. Discuss establishing a radar fix.            |       |       |       |       |       |           |
| <b>11. Practical Deck Seamanship</b>              | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX     |
| 11a. Personal safety eq during maintenance        |       |       |       |       |       |           |

|  |       |       |       |       |       |       |
|--|-------|-------|-------|-------|-------|-------|
| 11b. Know uses & care of tools on board.   |       |       |       |       |       |       |
| <b>NAMES</b>   |       |       |       |       |       |       |
| 11c. Identify/Explain ship's hardware  |       |       |       |       |       |       |
| 11d. Demo surface condition techniques.  |       |       |       |       |       |       |
| 11e. Techniques for hulls and decks  |       |       |       |       |       |       |
| <b>12. Environment</b>   | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX |
| 12a. Know local environmental laws   |       |       |       |       |       |       |
| 12b. MARPOL placard & dumping  |       |       |       |       |       |       |
| 12c. 500 words endangered species  |       |       |       |       |       |       |
| <b>13. Cruising:</b> Long Cruise (two weeks)   |       |       |       |       |       |       |
| <b>ELECTIVES:</b> (Do any three following)   | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX |
| <b>14a. Sailing:</b> Command a crew of three & sail a sloop on a triangular course.                              | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX |
| <b>14b. Vessels:</b> Teach and command a crew under oars and execute maneuvers.                                  | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX |
| <b>14c. Drill:</b> Demonstrate the ability to give commands in close-order drill.                                | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX |
| <b>14d. Engines:</b> Know safe and proper procedures for gas and diesel engines. Demo basic trouble shooting/PM. | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX |
| <b>14e. Yacht Racing:</b> Demo knowledge of equipment and racing rules of ISAF.                                  | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX | XXXXX |
| <b>14f. Sea History:</b> Know highlights of.   |       |       |       |       |       |       |
| <b>14g. Ornamental Ropework:</b> Tie knots. Make a useful item with ropework.                                    |       |       |       |       |       |       |
| <b>14h. Fiberglass Repair &amp; Maintenance</b>  |       |       |       |       |       |       |
| <b>14i. Specialty Proficiency:</b> As in manual  |       |       |       |       |       |       |
| <b>14j. USPS:</b> Seamanship/Piloting courses  |       |       |       |       |       |       |
| <b>Skipper's Conference</b>  |       |       |       |       |       |       |
| <b>Bridge of Review</b>  |       |       |       |       |       |       |
|  |       |       |       |       |       |       |
