

Adult Training Interest Survey

The Sea Scouts and Power Squadron are teaming to provide an weekend of technical training to **Sea Scout Leaders**. The youth have the Sea Scout Academy in January, and we're claiming Columbus Day Weekend for ourselves - October 13, 14, & 15 2013.

This survey is intended to determine the interest level (lots of interest, a little interest, who cares) and what is of interest. It will be a waste of time if it's not returned. Please take time to both **fill out and return the survey**, the format is not critical, your interests are.

What interests you? Which of the following 2 hour seminars would you choose to attend? Please mark all of interest!!

Boat Handling

Boat Handling under Power _____
Advanced Power Boat Handling _____
Boating on Rivers, Lakes, and Locks _____

Practical Deck Seamanship
